LIGHT UP EMOTIONS

Feeling, is what converts time into moments, into snap shot of time to remember.
Emotions convert space into a home, yours.

At Simon, we know that the spaces are the center of all these experience and be able to fill them with nuances and different intensity of sensual.
So you not only living them, but you resonating with them.
Touch, see, hear, feel.
We want to offer you a whole range of sensations.

Simon, light up emotions.

Simon in the World

Simon is an industrial group with 100 years history.

Simon is made up of 25 companies throughout the world, with its headquarters in Barcelona, Spain, in the business of producing and marketing low-voltage electrical materials, electronics, indoor lighting based on LED technology, industrial and urban lighting, voice and data transmission systems.

Marriott Auditorium Hotel, Madrid, Spain

HQ Mansion of DKV, Zaragoza, Spain

National Stadium, Beijing, China

SIMON R&D STRENGTH

Creating · Innovating · Developing

■ We are Simon:

- Around 4,000 employees
- 10% dedicated in researching and designing

- High investment in R&D
- Main laboratory in Spain, China, Poland and Brazil
- 16 industrial sites all over the world

Simon's R&D is responsible for innovations in design, style and products. It explores new ways of producing them.

SIMON DESIGN

Form Follows Function

Design as a Key Factor for Success:

AESTHETICS meets FUNCTION

Good design is becoming increasingly important for overhead industry. Good design therefore not only improves acceptance, it also improves efficiency. Fit for purpose, style neutral to ensure longevity, ergonomics, maintenance and price.
